Good afternoon all-

We are having just a terrible time finding dates that can work for a PAA meeting. I am out of the state all next week and next Friday was to be the next PAA meeting. Mindy and I will look for a date soon to call a meeting of the PAA. The only action item remains adoption of the PAA Budget. Not much else to report, which is a good thing when all is calm in PAA land.

We have closed on the rest of the Guinea marts Islands, so that's done!. There have also been a few small parcels in Guinea that we have also closed on under the USFW grant.

I can report that the PDC has hired Curt Smith away from the A-NHPDC to become the MPPDC Deputy Director (starts Dec 2) . Curt will be able to step in when I have a conflict so that we can return to a more stable meeting schedule down the road.

More to come on a meeting date as soon as Mindy and I can find a date.

Lewie
